

INTRODUCTION TO
SYSTEMIC
ADAPTIVE LEARNING

for leaders and social change agents

AVL
Human Venture Leadership

Systemic-adaptive learning is central to strategy, innovation, development and prevention, and is therefore a critical competency for leaders and social change agents.

Join a small class (12 people) for a seminar-style introduction to adaptive learning, designed to help guide your change efforts.

This 48-hour intensive is delivered on evenings and weekends, and includes both in-person and online sessions.

Cost: \$2000 + GST. Bursaries available for those in need.
